

PLAY SCHOOL WITH DAY BOARDING

CHUBBY CONNECT  
FEBRUARY 2022

### **LANGUAGE:**

- They practised writing their names and tried making full sentences.
- Phonics revision and diagraphs learning
- Learners were read aloud a book - 'The Greedy Mouse'. They discussed the different elements of a storybook - cover page, characters, beginning, middle, end, story setting, problem in the story. They even attempted to speak about how they feel about the book.
- Learned about patterns

### **Socio Emotional Learning Session**

- Socioemotional sessions were introduced along with mindfulness. Students learned to relax and deep breath and it was followed by a discussion on different emotional feelings. They identified emotions and expressed themselves that when did they feel happy, sad, scared etc. Describe a situation/person or an event that made them happy/ Sad/ Frightened/ Excited.

### **MATH:**

- Learned about 2D shapes
- Reverse counting
- Concept of Before and After
- Read and Write numbers up to 50

What a lovely start of the month of love at school, we welcomed more kids to our family and had a great time with them.

### **IN THIS MONTH:**

- Theme of the month was Flowers and plants, rhymes on flowers and Spring season song
- Colour day to reinforce the concept of colours
- Lohri, Vasant Panchami pooja and Valentine's Day were celebrated in school
- Social emotional learning session
- Read aloud Day
- Art and Craft
- Some Photos

**EVS:**

- My body parts
- Children were asked to draw a family portrait to strengthen the bond between family
- Colour concept
- Recognition of Fruits and Vegetables
- Introduction to yourself
- Magical words like sorry, thank you, please to develop gratitude and empathy

**ART AND CRAFT:**

- Learned to make a greeting card and labelling their names
- Caterpillar painting
- Making a flower pot
- Making of party props DIY
- Revision on Primary and Secondary colours

**SKILL DEVELOPMENT:**

- Recognition skills
- Communication skills
- Memory skills
- Language skills
- Logical skills

**OUTDOOR FUN:**

Sports and other activities play an essential role in building character. We make sure that our kids are stepping out and learn team work and the importance of participation.

**LEARNING BEYOND:**

Students are learning music in school and we are going to organise music classes, dance classes, drama classes for our chubby babies so they learn and enhance their skills. Students are playing games to enhance their motor skills, started learning long jumps
